Subject: Your support for Uber in SC is needed

Hello,

I wanted to write to let you know that I frequent SC as my wife was raised there and in-laws still live there. When in Charleston we frequently use and trust Uber to get rides when we do not have access to a car. I was disappointed to hear about the Cease and Desist order given to Uber, and hope that you will reconsider this order and work with Uber to allow their services as an options to South Carolina residents and visitors.

Thank you for your time and consideration.

Thanks,

Wes Blalock
